Education is not preparation for life; education is life itself.

P. N. Institute, educates its students in the fields of Science, Commerce, Arts & Engineering to discover and transmit knowledge and to make lasting contributions in our society through critical thinking and innovation. The core values of our teaching consists of four basic values: dignity, truthfulness, fairness and responsibility.

- **FAQs (Total 5)**

We intend to educate students for the future and bring our current creative practices to bear on today’s most critical social, political and environmental challenges.

Integrated Teaching Approach

Our teaching methodology is very holistic & unique that it inculcates not only insightful classroom discussions but also excellent study material.

Motivational Sessions

Honorable Parth Bansal Sir himself conducts such sessions & makes sure that each student gets motivated to face competitive Exams confidently.

Disciplined Learning Environment

P. N. Institute focuses on a positive environment where an individual can learn as well as grow. We follow a good work ethics atmosphere for students.

Comprehensive testing system

Term tests which are long syllabus tests are common for all students, they are conducted to give real test environment experience.

Doubt solving sessions

Solve seemingly difficult questions with relative ease. Learn useful Question selection tips to choose the easiest questions to save crucial time.
